John Paul the Great, pray for us!

Need to celebrate the life of this great saint. Book about him, this hour and a half film will give you almost everything you need to know.

Weigel's book on JP2 and is incredibly well done. If you don't have time to read a book, The Life of John Paul II DVD (can get on Amazon). It's based off of George Weigel's book.

Also, for anyone interested, I'd highly suggest checking out the Witness to Hope: John Paul II, Apostle of the Gospel. It's an incredible story of life and faith.

Awesome! Going to add this to my 8th grade Saints unit that I teach. Thanks!
