An official from the U.S. Embassy in Kabul has confirmed that Said Musa was released and safely out of the country.

Dear Greg,

Your action on one of our recent Action Alerts helped saved a man's life. AFA is thrilled to report to you that Said Musa, an Afghan Christian who was arrested last May and threatened with execution for his conversion to Christianity, has been released from prison.

I am grateful to the Lord for answering our prayers and actions. God has allowed the AFA family of supporters to be a part of His work in the freedom of a fellow believer held in a prison.

I was especially touched by one AFA supporter who offered to let Said Musa and his entire family stay in their home, should Secretary of State, Hillary Clinton, and the State Department grant asylum to Said's family in the United States.

Tens of thousands of Christians wrote to Secretary Clinton, asking her to press for Said's freedom. This week, an official from the U.S. Embassy in Kabul has confirmed that Said Musa was released and safely out of the country to reunite with his family.

This Easter will be extra special because of Said's personal testimony and faithfulness to our risen Savior. Join me in sharing the good news that "He Is Risen!" by wearing and sharing a beautiful Easter button everywhere you go. **I wear one, you can too!**

When you make a suggested donation to AFA, you help us continue our mission of sharing God's truths to the world. As our way of showing our appreciation, we want to send you a pack of 10 Easter buttons to wear and share!

[Order enough for your family and friends](#), so they can also share the good news, "He Is Risen!"

Sincerely,

A handwritten signature in black ink that reads "Tim". The signature is written in a cursive, slightly slanted style.
