Dear *My Wonderful Hubby,*

Sounds cheesy, but I've dreamed about falling in love ever since I was a little girl. And I'm so glad it's you, whoever you are, that I've fallen for! I hope you're exactly the man I want you to be and that we're head-over-heels in love with each other for as long as we live.

I hope we are like two peas in a pod, my love; I hope you are my other half. I hope you can **make me laugh**, and I hope you don't mind my laugh because you'll be hearing it an awful lot. I hope you **enjoy music** like I do. It would be a plus if you play an instrument and perhaps will even write me a song ☺ I hope you have a **passion for other people** and will **serve Jesus** alongside me. I hope you love to have **FUN** and that there will never be a boring moment when we're together. I hope you are **adventurous and spontaneous** and we can live a **CRAZY LIFE** together. Most of all, I hope you **love me for who I am** and that our relationship is based on the **true** and **pure** love of each other and of Christ.

I hope you can share in my aspirations and goals and help me accomplish each one. One of my biggest dreams is to travel the world, so buddy boy, you better like flying. Another goal of mine is to raise a healthy, beautiful family, and of course we can only do that together. My biggest aspiration in life is to be the best person I can be, and I hope that's yours also. Through the years, I hope we can help and encourage each other to be exactly that.

I love you, my darling, and that is why I will wait for you. I want to save myself for you simply because you're the only one who deserves it. I hope you feel the same way and will save yourself for me so that our relationship can be truly pure and only for us. I am praying for you, my sweet, and I cannot wait for the day we meet (unless we've already met!)

With all my love,
