

NT SPORCLE CHALLENGE!

Instructions:

NEW TESTAMENT

1. Go here: <http://www.sporcle.com/games/Snackbar47/new-testament-books-of-the-bible>
2. Complete the Sporcle in a *reasonable* time
3. Take a screen shot of the entire page (listed books AND time)
4. Save your screen shot as:
 - a. **Lastname.Firstname.NTSporcleChallenge**

Important Notes:

- a. In order to be considered a Sporcle Champion you may *NOT* look at anything else as you complete your Sporcle Challenge. If you don't know how to spell a book, then study The Bible Ditty PDF or click "Give Up" and study the spellings of the books that way, then hide the answers again and start over.
- b. If you try the Sporcle Challenge and fail 5 times or more because of troubles with spelling then you may do one of two things:
 - a. Turn on Speech Dictation on your computer (via System Preferences) and speak each of the books that you don't know how to spell (this will only work if you know how to correctly pronounce them).
 - b. Write down the words you really can't remember how to spell on a separate piece of paper and use it as emergency help when completing the Sporcle Challenge.
- c. You may take the Sporcle Challenge as many times as you would like. Just make sure to save and drop your *best* time when it comes time to turn these in.
- d. The fastest New Testament Sporcler will have their picture taken and be posted on the Theologians of the Year wall. Their name will also be added to the list of Sporcle Champions which is posted on my website. Who will be the fastest in *your* grade???
