3. Think of a time when you experienced someone trying to hold you back from following God/doing the Christian thing and explain it below. All of my life, my brother is an atheist and he takes every opportunity he can to make fun of Christianity and me being Catholic. My parents are technically Catholic, but they don't seem to care about it at all. The only way I can get to church on a Sunday is to ask very repetitively, and that only works occasionally. I want to be a good person, but I can't.

4. Watch the video “3 Minute Philosophy - St. Thomas Aquinas” (on my website) that goes through Thomas Aquinas’ famous “5 Ways” (Proofs for the Existence of God). Write down at least 4 things you learned from the video below.

1. Anything that moves has to be set in motion by something else.

2. Nothing can create itself, so there has to be a creator.

3. It’s called the quinque viae.

4. There must be something that is the greatest.
