Dear Mr. Aitchison,

Thank you for taking action on House File 273. We are happy to announce that this bill, which provides Educational options for low-income students stuck in consistently low-performing schools, has passed out of Education Reform and is now in Education Finance! Your support and advocacy efforts have helped this bill's success. In fact, we believe that you have helped the first-ever scholarship bill to pass out of *any* committee in the history of Minnesota Legislature!

Once again, we thank you on behalf of our low income students, who are now on their way to receiving the education they deserve.

In gratitude,
The Minnesota Catholic Conference
