Chapter 5 – Sex, Love, and Chastity

1. **VOCAB** __________________: The notion that the differences between men and women aren’t _______, but __________ because they bring out the _______ in one another.

2. The Church teaches that sexuality and sex are ________ and __________________, not bad and dirty as many people mistakenly say.

3. Most people today don’t ever really ________ about sex.

4. The body language of sex says, “I give ________ of myself to you”. The language of marriage (the wedding vows) is, “I give ________ of myself to you.” Sex, therefore, belongs within ____________________.

5. The purpose of sex = ___________________ and ____________________ (a.k.a. ___________ and ___________, a.k.a. ___________ and ________).

6. **VOCAB** __________________: The virtue that helps us ________ ourselves and others through our bodies.

7. **VOCAB** __________________: Refraining from sexual intimacy before being ____________.

8. **VOCAB** __________________: ____________, ____________ , and/or ____________ in a way that encourages others to love, not ____________.

9. **VOCAB** ____________: The vice that causes people to view and treat others as ______________ to be used instead of ______________ to be loved.

10. Sex is a lot like _____________. It is good and beautiful, but only in the ________________ place. If sex is misused, it can damage a person ________________, ________________, and even ________________ (STDs).

11. Practicing chastity means playing ____________ and _____________. Offense is ____________ for your goal of a pure heart. Defense is ________________ that pure heart.

12. Treat others, especially those you date, the way you would want your future ______________, your _______________ or _______________, or even your own future _______________ to be treated.
