

## Quote Dogs about the Bible

A well-used Bible that is falling apart usually belongs to a person who isn't.

The Bible is meant to be our daily bread, not cake for special occasions.

Scripture is good medicine.

The shortest verse in the Bible is "Jesus wept". The only thing wrong with it is the past tense.

*Randy Milholland*

Reading parts of the Bible only once is like listening to the best song in the world only once.

*Art Zannoni*

You can sum up the Bible in two words: Come closer.

*John Eldridge*

Let sleep find you holding your Bible, and when you head nods let it be resting on the sacred page.

*Saint Jerome*

The Bible is a love letter from God with your name on it.

*Peter Kreeft*

The Bible should come with a warning label.

*Peter Kreeft*

Beware of the Bible: It may change your life.

The Bible is like one big text message from God to you.

I congratulate you all for memorizing Scripture. You're hiding His Word in your hearts so that in times of trial and temptation, you will have a weapon to fight with.

*Tim Tebow (in a letter to the class of 2009 at Our Lady of Grace Catholic School, Edina, MN)*

God never intended that we should merely get into His Word. His intent is that the Word should get into us.

*Nancy Leigh DeMoss*

The Bible will keep you from sin, or sin will keep you from the Bible.

*Dwight L. Moody*

We do not read in the Gospel that the Lord said, "I am sending you the Holy Spirit, that he may teach you about the course of the sun and the moon." He wished to make people Christians, not astronomers.

*Saint Augustine*

Become familiar with the Bible so that it can be your compass pointing out the road to follow.

*Pope Benedict XVI*

Why don't people read the Bible anymore? Because it has the power to change our lives.

*Matthew Kelly*

The more you read the Bible, the more you will love the author.

Visit many good books, but live in the Bible.  
*Charles Spurgeon*

We speak to God when we pray; we listen to Him when we read the Scriptures.  
*Saint Ambrose*

The Bible is like an egg. You actually have to crack it open in order to get anything good out of it.  
*Peter Gathje, OLG class of 2013*
