## RULES AND REGULATIONS

**GOAL: To be the fastest class to pass in their papers (and have fun while doing so!)**

A class may be temporarily DQed (disqualified) if: a) They receive a total of 3 individual penalties (or more) during a paper passin' or b) They take over 1 minute to complete the paper passin' process. Classes that are DQed will lose their current score and remain with a "DQ" until they complete another paper pass.

Each time will be divided by the number of students in that class. The **1<sup>st</sup> place class in each grade** with the lowest average at 3:05 pm on the last day of each trimester will be awarded a *Chomp 'n Chew Class* in which they will be allowed to "chomp and chew" any kind of bubblegum they would like for the duration of the next Religion class. Students may only chew the gum from the first bell of class to the last bell, at which point it must be thrown in the garbage.
