TIMELINESS OF WORK

1. Timeliness of work counts for 5% of one's Religion grade each trimester.

2. All students begin the quarter with 10/10 points for timeliness of work. Students will keep these 10 points until the end of the trimester unless an assignment or project is turned in late without a valid excuse (being absent from class, computer issue, etc.).

3. Each unexcused late assignment per quarter subtracts 1 point from the original 10/10 score.
