

Fr. Barron on The New Atheists

CLASS NOTES

3 pts.

First & Last Name: _____

Class: _____ Today's date: _____

Saint of the Day: _____

(Pray for me!)

1. In Europe some "New Atheists" have begun buying advertising on the sides of buses that read, "There's probably no God, _____."

2. Many of the "old" atheists ("existentialists" from years ago) saw the real conclusion to atheism: "Life is _____."

3. Atheists typically believe that humans are simply smart animals ("animals with bigger brains"). But humans aren't like dogs or any other animals, because after all of our needs and wants are met, we still aren't _____, we want *something more*.

4. The atheist Karl Marx famously said, "Religion is the opium (_____) of the people." But Fr. Barron thinks that's completely backward, because for many people today _____ is being used to mask the deep desire for God within all of us.

5. The main argument Fr. Barron used in this video is _____.
