**Instructions:** Create tweets that summarize each of the 10 arguments for God's existence that we have studied together.

- Tweets should be completely original (if you overhear someone else's idea you are not allowed to use it for yours).
- Tweets should demonstrate strong knowledge of each argument for God's existence.
- Instead of limiting you to a 140-character count you will be limited to the space provided. Hashtags and other Twitterrific stylings and abbreviations are certainly encouraged! 😊
