(Click the link or copy/paste it into your browser to access the quiz)

Your top three intelligences:

ASSESS | strength

Intelligence

Score (5.0 is highest)

Description

4.71

Body Movement: You like to move, dance, wiggle, walk, and swim. You are likely good at sports, and you have good fine motor skills. You may enjoy taking things apart and putting them back together. Incorporating body movement into your learning will help you process and retain information better. Here are some ideas.

3.86

Self: You have a very good sense of self. You like to spend time by yourself and think things over. You will often take in information from another person, mull it over by yourself, and come back to that person later to discuss it. You like working on projects on your own. You often prefer to learn by trial and error. Effective techniques to enhance your learning include keeping a journal and giving yourself time to reflect on new ideas and information. More ideas:

3

Nature: You are sensitive to nature and environment. You probably know the names of rocks, flowers, birds, and trees. You love to be outdoors. Here are some ways to use your nature intelligence in your learning:

Learning Style Quiz #2 Results
