

HOW TO BECOME A BIG-TIME SAINT

SHARE YOUR FAITH HOMEWORK

First & Last Name: _____

Class: _____ Today's date: _____

Saint of the Day: _____

(Pray for me!)

Instructions: Share your faith with someone else (for this assignment, classmates don't count, though family and friends from other schools do). With the 10 Ways to Share Your Faith list in mind, think of how you are going to share the Gospel. If you do something pretty simple (like pray in public at a restaurant), try and do something else as well (like sharing a Faith Flick that you liked with a parent or sibling, posting a Bible verse on social media, etc.). If you think of another creative way to share your faith that isn't on the list or wasn't discussed in class, go for it! Just make sure you share your faith in a loving, saintly manner. 😊

1. How many different ways did you try sharing your faith? _____ (1 required, more encouraged!)

2. Who did you share your faith with?

3. How exactly did you go about sharing your faith? (What did you do?)

4. How did the person(s) you shared your faith with respond?
