The Wicked-Tough BIBLE PUZZLE

There are 16 books of the Bible hidden in the paragraph below. Can you find them?

***Note: You are only required to find 8 or more of the 16 books.
We'll share how many books everyone found on the day this is due.
No Internet or friend help allowed for this assignment.**

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts and for other it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others, it was a real job. We want it to be a most fascinating few moments for you. YES, THERE WILL BE SOME REALLY EASY ONES TO SPOT. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. One little lady says she brews a cup of tea, so she can concentrate better. See how well you can compete. Relax now for there are really sixteen names of the Bible in this story.
