1. Bookmark must be a good size to fit nicely inside your Bible (not overly big or small)
2. Must include your name at the top right hand corner
3. Must include a clever title (e.g. “Tips for Your Booya Brain!”)
4. Must include color

6. Must include at least 1 Bible-related quote from the Quote Dogs about the Bible document (or one that you found on your own that has been approved by Mr. Aitchison)

9. Must not have any spelling, grammar, or punctuation errors

Your bookmark can be done either free-hand or on your computer.

If you need to print your bookmark in color at school you must upload it **1 day early** and **as a PDF** so that I can print it. You will then need to cut it out and put it together yourself before finally turning it in on the day that it is due.

If your bookmark is turned in the day it is due it will be laminated and cut free of charge. Yay!
