

CHURCH HISTORY BOOKLET

INSTRUCTIONS:

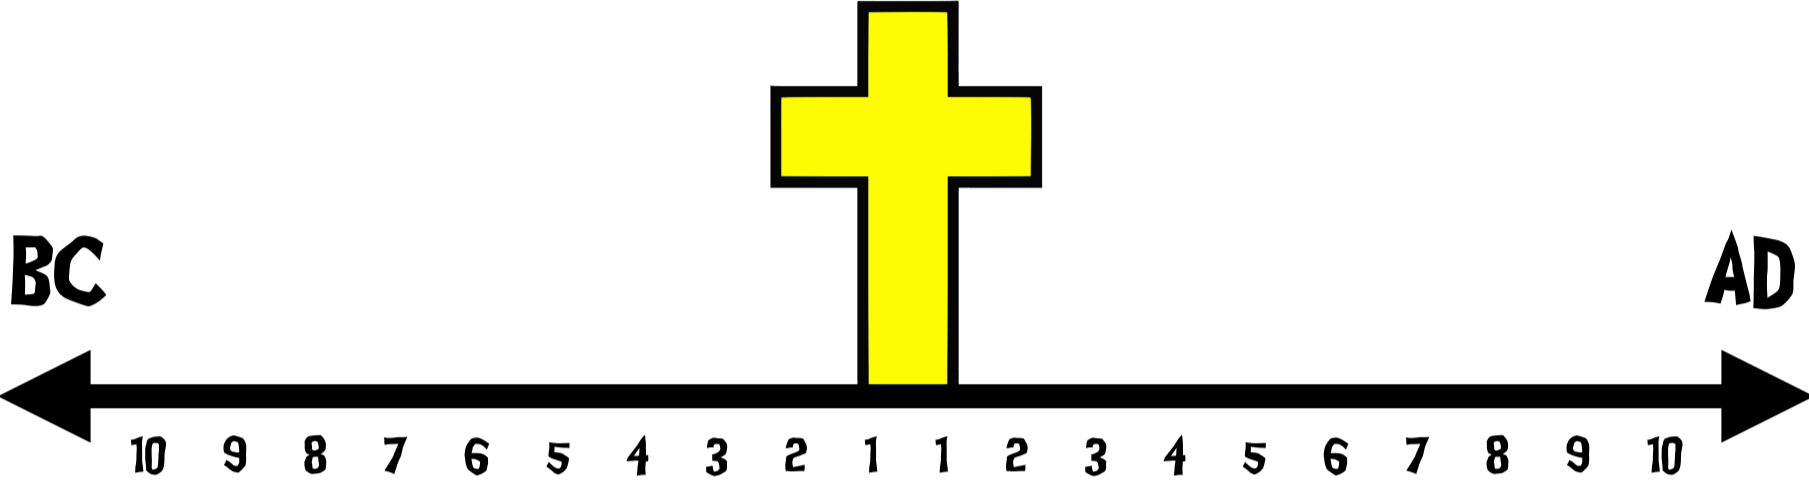

- I. Create a booklet:
 - a. Line up 5 pages of printer paper hamburger-style (landscape view).
 - b. Carefully fold all 5 pages over and crease them at the fold.
 - c. Lastly, put 3 staples along the crease line so your booklet can easily open.

2. Starting with the **FRONT PAGE** of your booklet, go through the following slides and copy down everything you see in your Church History booklet so the slides and your booklet look the same (size of words, spacing of words, etc.). In the end:

 - b. The middle of the booklet will be **Events 1-18**
 - c. The back of your booklet will be the **CONCLUSION**
