

GETTING PAPERS BACK

HOW TO ORGANIZE PORTFOLIO PAPERS

Oldest stuff on top

Newest stuff on bottom

IMPORTANT REMINDERS

1. If you are helping pass back papers, do not announce anyone's scores out loud (they are not for you to share).
2. Don't play "The Comparison Game" (asking others "What'd you get?" and/or bragging to others about your results). Your academic information is my business, your business, and your parents' business.
3. All incomplete and no name assignments can be found in the "INC/No Name" bin located behind my desk.
4. Keep all papers mentioned in your test study guide so you can use them to prepare for the test.
